

## PRODUCTS SUITABLE FOR INDIVIDUALS LIMITING THEIR INTAKE OF GLUTEN

The below list contains Lidl own brand products that are suitable for individuals limiting their intake of gluten. The products listed below contain  $\leq 20$ ppm (parts per million) of gluten or are made without gluten-containing ingredients or are naturally gluten free and also have controls in place during production to minimise the risk of contamination with gluten-containing ingredients. This information should only be used as a guide. Whilst we take every care to ensure product information is correct, food products are subject to change due to reformulation throughout the year. For this reason we encourage our customers to always refer to the ingredients list and allergen information on pack for all food products to ensure it suits their dietary requirements.

Please note products are subject to availability and may not be available in all stores.  
Should you have any concerns or queries regarding Coeliac Disease we encourage you to contact The Coeliac Society of Ireland.
